Dear Primary Caregiver,

Caregiving is a demanding job and you as a caregiver need occasional breaks ("respite") so you can tend to your own needs and the needs of other family members, and return to your caregiving duties refreshed. If you reside in Montgomery County and are an *unpaid, live-in, primary caregiver* for an adult with intellectual/developmental disabilities, challenging behaviors, or functional disabilities (limited activities of daily living which require ongoing support), you may be eligible for respite care from The Arc Montgomery County.

Our respite program can provide short-term relief for a few hours, a day, a weekend, or sometimes longer. However, respite care is not a substitute for ongoing care, school, work or adult day care. It's just a way to support families who take care of their loved ones at home. Families can choose from many respite care venues, including the family home, community and recreational programs, camps, and approved respite facilities.

Respite is an income-based program that may provide a full or partial subsidy to offset the cost of respite care provided by a Respite Care Provider (RCP). *It is not an entitlement or a financial assistance program.* Approved eligibility may result in respite care hours being available to support the family; it will not result in a monetary payment to the primary caregiver.

Eligibility for a respite care subsidy is based on income and the Maryland Respite Care Services Fee Scale. The subsidy rate for respite care for adults ages 18-59 is based on his/her income, and typically adults with income less than \$30,220 qualify for a full subsidy.

To apply for respite services, complete the application and submit it by mail or secure (password protected) email to our office. *Please be advised that, due to the large number of applications received, any applications with missing documentation or unanswered questions will not be processed and will be returned by email.* If you have questions, please reach out to us directly.

Sincerely,

Julz Abate

Julia "Julz" Abate, Respite Administrator
Respite@arcmontmd.org, 301.816.9647 or 301.984.5777

Caregiver Initials:

I have attached all necessary supporting documents to this application. **I understand that if the supporting documents are not attached, and/or if the application is incomplete, IT WILL NOT BE PROCESSED and will be returned to me by email or mail.**

Caregiver Initials:

I understand there is no guarantee that respite will be provided to me simply because I have submitted this application. I have made a copy of my application and supporting documents for my own records.

Caregiver Initials:

I understand that respite is designed to give the live-in, unpaid primary caregiver short-term relief. It is not a substitute for ongoing care. I understand that respite cannot be used for regular, long-term or continuing care, or to allow the live-in, unpaid primary caregiver to go to work.

Caregiver Initials:

I understand that, as the live-in, unpaid primary caregiver, I cannot receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to provide support services to anyone in my household. I also understand that no other person in my household can receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to provide support services to anyone in my household.

Caregiver Initials:

I understand that the respite program operated by The Arc Montgomery County is not an entitlement program or a financial assistance program. Benefits are not guaranteed to any particular group or segment of the population.

Caregiver Initials:

I understand that respite is based upon eligibility and subsidies are dependent on income and other criteria. Approved eligibility may result in respite care hours being available to support my family member. Approved eligibility will not result in a monetary payment to the primary caregiver.

Caregiver Initials:

I understand that eligibility for a subsidy does not guarantee respite funds for each occasion, because of limited funding. Respite care cannot be used with the following waiver/grant funding in the same 24/hour period:

- Any support services provided through any Medicaid Waiver;
- Any program or services paid for by Montgomery County or the State of Maryland, including full or partial payments for camp, therapeutic programs, LISS or LEAP.

Caregiver Initials:

I understand that I cannot receive respite while the person listed in section A is in a hospital, rehabilitation center, or residential program. I understand that respite cannot be used in lieu of any child care, school or alternative child care program, including days/times when those programs are closed (with the exception of holidays and school breaks).

Caregiver Initials:

I understand that I cannot be a respite provider to another family in the respite program, and that no other person in my household can be a respite provider to another family in the respite program.

Caregiver Initials:

I understand that the respite provider will provide care ONLY for the person(s) enrolled in the respite program. The respite provider is not allowed to care for other children or adults who are in the home. If this happens, all respite services will be immediately, and potentially permanently, discontinued.

Caregiver Initials:

I understand that in order to ensure respite funding is available to eligible people and their families who have little or no services, limits will be placed on the number of respite hours available, as outlined below. I understand that these limits may change at any time.

- *Individuals receiving any combined county, state or federal services/supports of 40 hours or less per week* will be eligible for a maximum of 140 hours of approved respite services per fiscal year, upon application approval. Delivery of approved **in-home** respite services is restricted to a maximum of 40 hours per month.
- *Individuals receiving any combined county, state or federal services/supports of more than 40 hours per week* will be eligible for a maximum of 48 hours of approved respite services per fiscal year, upon application approval.
- The maximum number of respite hours which will be approved, per person, for FY 2018 is 140 hours. This is contingent on the availability of funds.

Caregiver Initials:

I understand that respite care is limited to 10 hours per day in the home (between 6 am and midnight only) or at a therapeutic program and that respite providers will not be paid by The Arc Montgomery County for more than 10 hours per day. I understand that in-home respite care is limited to a total of 40 hours per month.

Caregiver Initials:

I understand that overnight respite care must be provided at an approved respite care facility. Respite hours used at an approved respite care facility are limited to a maximum of 140 hours per fiscal year.

Caregiver Initials:

I understand respite hours cannot be used for camp subsidies for adults (ages 18 and older) who receive Medicaid Waiver funding for vocational and/or day services.

Caregiver Initials:

I understand that only the approved respite facilities, therapeutic programs and in-home support providers on The Arc Montgomery County consortium list may be utilized when payment is authorized through respite care subsidies. If I choose to utilize a respite care provider not on this list, I am personally responsible for any and all payments to that respite care provider. I understand that the approved list of consortium members for The Arc Montgomery County changes frequently, and that I may be required to change respite care providers as a result of changes.

Caregiver Initials:

I understand that I may not be approved for respite hours if the agency I select to provide respite care is not part of The Arc Montgomery County Respite Consortium. The Arc of Montgomery County and DHHS reserve the right to limit the number of consortium members.

Caregiver Initials:

I understand that the respite program has two levels of care (Level I and Level II), and that the information provided on the Physician's Health Form determines the level of care required.

Caregiver Initials:

I understand that I may be required to obtain an updated Physician's Health Form for the person(s) receiving respite care if a hospitalization occurs.

Caregiver Initials:

I understand that if I select a respite care provider for Level I care who is not on The Arc Montgomery County consortium list (i.e. family members, relatives, friends), this respite care provider may not have all the experience, skills, abilities and necessary trainings, certificates and licenses to deliver respite care to my family member. I assume full responsibility for my choice of respite care provider.

Caregiver Initials:

I understand that in-home Level II respite care must be provided by a licensed health care practitioner, such as a Licensed Practical Nurse (LPN) or Registered Nurse (RN).

Caregiver Initials:

I understand that I must obtain an authorization form from The Arc Montgomery County prior to any respite occasion, and that failure to follow this procedure will prevent payment to the respite provider. *If this happens, I will be liable for payment to the respite provider.* I also understand that I will be responsible for payment to the respite care provider for any hours worked beyond what is approved and allowed by The Arc Montgomery County.

Caregiver Initials:

I understand that I must submit a new application with supporting documents annually (12 months after approval), and that all supporting documents must be current or updated.

Caregiver Initials:

I understand that changes to the respite program will occasionally occur based upon state, county and agency requirements, and I agree to comply with those changes or withdraw or cancel my application. I understand that all respite applications are subject to audit, with changes in status or approval based upon audit findings.

Caregiver Initials:

I affirm that, as the unpaid, live-in, primary caregiver, I do not work for or receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) that pays me to support the person listed in section A of this application, AND that no other person in my household works for or receives payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to support the person listed in section A of this application.

This application provides information about your eligibility for respite care services and benefits. These benefits are provided at public expense and you must provide true, accurate information. This information may be verified with public and private agencies and businesses. You must report any changes to the information provided on this form within 10 days of the change. If you knowingly give false information, impersonate another person, omit Medicaid waiver services or any other funding sources, or willfully fail to report changes, you will be subject to disqualification and denial of services.

Consent to release information: By signing below, I hereby authorize the Montgomery County Department of Health and Human Services and The Arc Montgomery County to contact, review and obtain records maintained by any person, partnership, corporation, association or governmental agency for the purpose of establishing proof of my eligibility for respite care benefits. A photocopy of this form is as valid as the original. See attached document.
