Dear Prospective Board Committee Member,

Thank you for your interest in joining a Board Committee at The Arc Montgomery County. Enclosed you will find our current application. If you have questions concerning the application, please contact us at governancecommittee@arcmontmd.org.

Board committee members are expected to give their “time, talent and treasure.” In other words, as a leadership volunteer, you give your time to guide The Arc based on your talent—your knowledge, skills and experience. We also ask that you support our mission by making a personal financial commitment, sharing your treasure. In addition, Board committee members serve an important role in spreading the word about The Arc’s mission and achievements. Board committee members can advocate for The Arc, connect The Arc to the broader community, provide a conduit for feedback to the organization, and support the mission and the staff. There are many ways in which Board committee members can learn about The Arc and help to accomplish our mission in Montgomery County!

Each individual Board committee member’s contributions of time, talent and treasure will differ. Some members chose to serve on committees aligned with their professional interests (e.g., an accountant who joins the finance committee). Others chose to serve on a committee that will be an opportunity for learning. The minimum time commitment for serving on a Board committee is approximately three hours per month. Much of this time will be devoted to meetings.

All members of The Arc’s Board committees are required to be members of the organization. Membership is conferred upon receiving a donation of at least \$50 during any twelve-month period. Beyond this, we ask that you include The Arc Montgomery County among your “top three” charitable gift recipients at a level that is personally meaningful while serving on a Board committee.

Thank you for your interest in The Arc Montgomery County Board committees. We look forward to learning more about you and your interest in supporting people with developmental disabilities and their families.

Sincerely,

Stephanie Katz

Stephanie Katz, President
The Arc Montgomery County Board of Directors
