Futures Planning: Next Steps for Parents and Siblings

presented by:

Tia Marsili, Director of Trusts, The Arc of Northern Virginia

The Arc Montgomery County identifies, creates and sustains inclusive communities that embrace and engage individuals and families affected by intellectual and developmental disabilities.

Every day we directly support over 600 children, youth, adults and families by providing inclusive child care, work skills training, employment opportunities, community living services, resources, respite care and advocacy.

www.TheArcMontgomeryCounty.org

The Arc of Northern Virginia's Special Needs Trust (SNT) Program serves Maryland, Virginia, and DC. We work with families and individuals with any type of disability on planning for the 'now' as well as the future.

As long-standing experts in the disability field, The Arc of Northern Virginia's Special Needs Trust Program remains current on developments regarding government benefits, trust administration, and managing financial resources for people with disabilities.

SESSION DESCRIPTIONS

Special Needs Trusts

It is important to ensure that your child is financially secure when you can no longer provide help. In this presentation, learn about the roles of Special Needs Trusts and Letters of Intents in safeguarding government benefits and ensuring your child's personal needs and aspirations are met now and in the future.

presented by:

Tia Marsili, Director of Trusts, The Arc of Northern Virginia

Joseph Mathis, Offit Kurfman Attorneys at Law

Wednesday, March 9, 2016 - 5:00pm-7:00pm

Guardianship and Alternatives to Guardianship

Participants will learn about when guardianship may be appropriate for their family members, what the process entails and tips for successfully navigating the process. Alternatives to guardianship like advance health care directive and powers of attorney will also be discussed.

presented by:

Tia Marsili, Director of Trusts, The Arc of Northern Virginia

Ellen Callegary, Esq, The Law Offices of Ellen A. Callegary

Thursday, June 2, 2016 - 7:00pm-9:00pm

Divorce and the Child with Disabilities

Traditional divorce strategies will not always work for divorcing couples who have children with disabilities. This workshop will discuss those unique issues families with disabled children need to take into consideration when resolving custody, support and division of assets.

Tuesday, September, 6, 2016 - 7:00pm-9:00pm

Futures Planning: Next Steps for Parents and Siblings

Creating a plan for the future of a person with a disability can be a difficult task for both parents and siblings of that person. In this presentation learn about the roles of financial planning, estate planning, government benefits, legal authority, letters of intent, and special needs trusts in your loved one's future.
