Your membership counts!

Now more than ever,

individuals and families affected by intellectual and developmental disabilities need to be heard. Public funds are being squeezed just as people are making wonderful strides toward becoming fully included, valued, engaged members of their communities. There's never been a better time to make a difference!

Your membership creates positive change in your community and helps The Arc stand beside your children, neighbors, friends, and colleagues as they strive for complete inclusion in every aspect of community life.

Because of your membership, we are able to provide support services for over 1,100 children, youth, adults, seniors, and their families every day. Among the services we provide are inclusive childcare, work skills training, employment, community living support, advocacy, and coordination of respite care.
