

# Respite Coordination

Short-Term Relief for Caregivers of Frail Senior Citizens

Caregiving is a demanding job and caregivers need occasional breaks so they can return to their duties refreshed. These breaks are called “respite.” Respite can be provided for a few hours, a day, or sometimes longer.

**Unpaid, primary caregivers of frail senior citizens aged 60+ who live in the same Montgomery County residence can apply for coordination of respite.** Approved families are eligible for up to 140 hours of respite care per fiscal year, with some restrictions.

The Arc Montgomery County does not directly provide respite care. Instead, families choose the respite provider from among a consortium of pre-screened agencies and individuals. Families also choose the venue, whether it’s the family home, an adult medical day program, or a respite facility.

*Respite coordination is not an entitlement or a financial assistance program and will not pay the primary caregiver.* Instead, families which meet the eligibility requirements may receive respite care hours at a subsidized rate. An application is required, but there are no income eligibility restrictions for seniors ages 60+.

**Please note that seniors who receive any county, state or federal funding for in-home supports or services are NOT eligible for respite.**

To apply, complete the **SENIOR** respite application and submit it by mail or secure (password protected) email to our office. Please be advised that due to the large number of applications received, any applications with missing documentation or unanswered questions will **not** be processed and will be returned by email.

If you have questions, please reach out to us directly by calling 301.984.5777 x1204.

Respite is funded primarily through a grant from the Montgomery County Department of Health and Human Services.

## Certification of Acknowledgement and Understanding

The following statements include:

- 1) your duties and obligations with regard to the respite services program;
- 2) information how the respite services program operates;
- 3) information about how, when and where respite care services are delivered,
- 4) your affirmation that you are not receiving payment to support the person listed in Section A; and
- 5) your consent to release information for the purpose of determining eligibility for respite services.

*Please read each statement carefully, then initial beside each statement to indicate your understanding and acknowledgement. Then sign and date the final page of this application where indicated.*

### 1. Your Duties and Obligations With Regard To Respite Coordination

Caregiver Initials:

I have attached all necessary supporting documents to this application. **I understand that if the supporting documents are not attached, and/or if the application is incomplete, IT WILL NOT BE PROCESSED and will be returned to me by email or mail.**

Caregiver Initials:

I understand there is no guarantee that respite will be provided to me simply because I have submitted this application. I have made a copy of my application and supporting documents for my own records.

Caregiver Initials:

I understand that respite is designed to give the unpaid, primary caregiver living in the same residence short-term relief. It is not a substitute for ongoing care. I understand that respite cannot be used for regular, long-term or continuing care, or to allow the unpaid primary caregiver to go to work.

Caregiver Initials:

I understand that the respite program coordinated by The Arc Montgomery County **is not an entitlement** program or a financial assistance program. **Benefits are not guaranteed** to any particular group or segment of the population.

Caregiver Initials:

I understand that approved eligibility may result in respite care hours being available to support my family member. Approved eligibility will not result in a monetary payment to the primary caregiver.

Caregiver Initials:

I understand that the respite program has two levels of care (Level I and Level II), and that the information provided on the Physician's Health Form determines the level of care required.

Caregiver Initials:

I understand that in-home Level II respite care must be provided by a licensed health care practitioner, such as a Licensed Practical Nurse (LPN) or Registered Nurse (RN).

### 2. How The Respite Services Program Operates

Caregiver Initials:

I understand that if I select a respite care provider for Level I care who is a family member, relative, or friend, this respite care provider may not have all the experience, skills, abilities and necessary trainings, certificates and licenses to deliver respite care to my family member. I assume full responsibility for my choice of respite care provider.

Caregiver Initials:

I understand that I cannot receive respite while the person listed in Section A or Section C is in a hospital, rehabilitation center, or residential program.

Caregiver Initials:

I understand that I may be required to obtain an updated Physician's Health Form for the person(s) receiving respite care if a hospitalization occurs.

Caregiver Initials:

I understand that if the person listed in Section A of this application is eligible for hospice services, Level I respite care can be delivered in the home by an approved, licensed home health care agency.

Caregiver Initials:

I understand that I cannot be a respite provider to another family in the respite program, and that no other person in my household can be a respite provider to another family in the respite program.

- Caregiver Initials: I understand that the respite provider will provide care ONLY for the person(s) enrolled in the respite program. The respite provider is not allowed to care for other children or adults who are in the home. If this happens, all respite services will be immediately, and potentially permanently, discontinued.
- Caregiver Initials: I understand that only the approved respite facilities, therapeutic programs and in-home support providers on The Arc Montgomery County respite consortium may be utilized when payment is authorized through respite care subsidies.
- Caregiver Initials: If I choose to utilize a respite care provider not on The Arc Montgomery County Respite Consortium, I am personally responsible for any and all payments to that respite care provider. I understand that the Respite consortium members for The Arc Montgomery County changes frequently, and that I may be required to change respite care providers as a result of changes.

**3. How, When and Where Respite is Delivered**

- Caregiver Initials: I understand that **I must contact Respite@arcmontmd.org or 301.984.5777 x1204 before using respite hours, to request and receive the appropriate authorization.** Failure to follow this procedure will prevent payment to the respite provider. *If this happens, I will be liable for payment to the respite provider.*
- Caregiver Initials: I understand that I will be responsible for payment to the respite care provider for any hours worked beyond what is approved and allowed by The Arc Montgomery County.
- Caregiver Initials: I understand that respite care is limited to 10 hours per day in the home (between 6 am and midnight only) or at a therapeutic program and that respite providers will not be paid by The Arc Montgomery County for more than 10 hours per day. I understand that in-home respite care is limited to a total of 40 hours per month.
- Caregiver Initials: I understand that *overnight* respite care must be provided at an approved respite care facility (which includes respite provided between midnight and 6 am). Respite hours used at an approved respite care facility are limited to a maximum of 140 hours per fiscal year.
- Caregiver Initials: I understand that I may not be approved for respite hours if the agency I select to provide respite care is not part of The Arc Montgomery County Respite Consortium. The Arc of Montgomery County and DHHS reserve the right to limit the number of consortium members.
- Caregiver Initials: I understand that if I receive IHAS (In-Home Aide Services), I must use my IHAS provider to deliver respite care. IHAS and Respite cannot be used in the same 24 hour period.
- Caregiver Initials: I understand that if I have more than one senior citizen enrolled in respite, a 50% reduced subsidy rate will apply when one caregiver provides respite for multiple enrolled seniors at the same time.
- Caregiver Initials: I understand that, as the unpaid, primary caregiver living in the same household as the person in Section A, I cannot receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to provide support services to anyone in my household. I also understand that no other person in my household can receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to provide support services to anyone in my household.
- Caregiver Initials: I understand that if the person listed in Section A or Section C of this application receives any county, state, federal or veteran funding for **in-home** supports or services, he/she is NOT ELIGIBLE for respite. This includes services provided through Community First Choice, REM, Community Pathways, Family Supports Waiver, Maryland Community Support, Autism Waiver, etc.
- Caregiver Initials: I understand that respite hours cannot be used with grant-funded programs or services paid for by Montgomery County or the State of Maryland, including full or partial payments for Adult Day/Medical Day, camp, therapeutic programs, LISS or LEAP.

Caregiver Initials:

I understand that eligibility for a subsidy does not guarantee respite funds for each occasion, because of limited funding.

Caregiver Initials:

I understand that in order to ensure respite funding is available to eligible people and their families who have little or no services, limits will be placed on the number of respite hours available. I understand that these limits may change at any time.

Caregiver Initials:

I understand that changes to the respite program will occasionally occur based upon state, county and agency requirements, and I agree to comply with those changes or withdraw or cancel my application. I understand that all respite applications are subject to audit, with changes in status or approval based upon audit findings.

Caregiver Initials:

I understand that I must submit a NEW application which includes ALL required supporting documents annually. Supporting documents must be up-to-date. If I am currently approved for respite care, my application for the next fiscal year will receive priority review if submitted between April 15 and June 15. Otherwise, my application may not be considered until the following fiscal year.

**4. Affirmation That You Are Not Receiving Payment to Support the Person In Section A**

Caregiver Initials:

**I affirm that, as the unpaid, primary caregiver living in the same household as the person in Section A, I do not work for or receive payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) that pays me to support the person listed in Section A of this application, AND that no other person in my household works for or receives payments from any federal, state or county agency, vendor or program (including Medicaid, foster care, respite, etc.) to support the person listed in Section A of this application.**

*This application provides information about your eligibility for respite care services and benefits. These benefits are provided at public expense and you must provide true, accurate information. This information may be verified with public and private agencies and businesses. You must report any changes to the information provided on this form within 10 days of the change. If you knowingly give false information, impersonate another person, omit Medicaid services or any other funding sources, or willfully fail to report changes, you will be subject to disqualification and denial of services.*

**5. Consent to Release Information**

By signing below, I hereby authorize the Montgomery County Department of Health and Human Services and The Arc Montgomery County to contact, review and obtain records maintained by any person, partnership, corporation, association or governmental agency for the purpose of establishing proof of my eligibility for respite care benefits. A photocopy of this form is as valid as the original. See attached document.
