Networking Breakfast

Did you know that one in 10 Montgomery County households includes a person with intellectual or developmental disabilities?

The Arc Montgomery County connects people of *all ages and abilities* with their communities to build inclusive and fulfilling lives. We support over 600 people every day, providing a continuum of services to meet each person's needs.

- Maryland's only fully-inclusive child care with embedded preschool, special education, and nursing support
- Youth after-school and summer programs
- Work skills training and other employment services for adults with I/DD
- Community living support in the family home or at 30+ residential locations for adults with I/DD
- Family workshops with resource sharing
- Respite care to provide unpaid, live-in caregivers of children/adults with disabilities and frail senior citizens with needed breaks
